2 Go to the registration page

The button opens **samsaragroup.com.au/register**. Click **Enter invitation code**.

3 Enter your invitation code

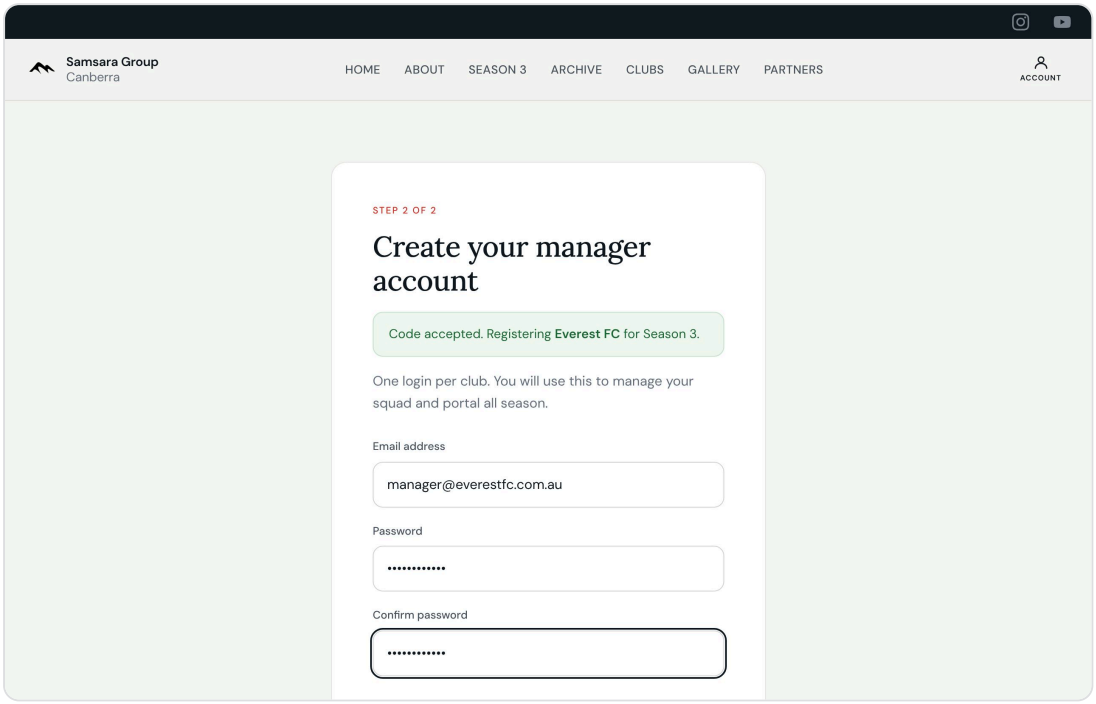

Paste the full code from your email (it starts with `SPL3-`), then click **Verify code**.

Paste the whole code exactly as it appears in the email, including the dashes. Upper or lower case both work.

4 Create your manager account

A green bar confirms your club. Enter the **email address the invitation was sent to**, choose a password of at least 8 characters, confirm it and click **Create account**. You are taken straight to your club portal.

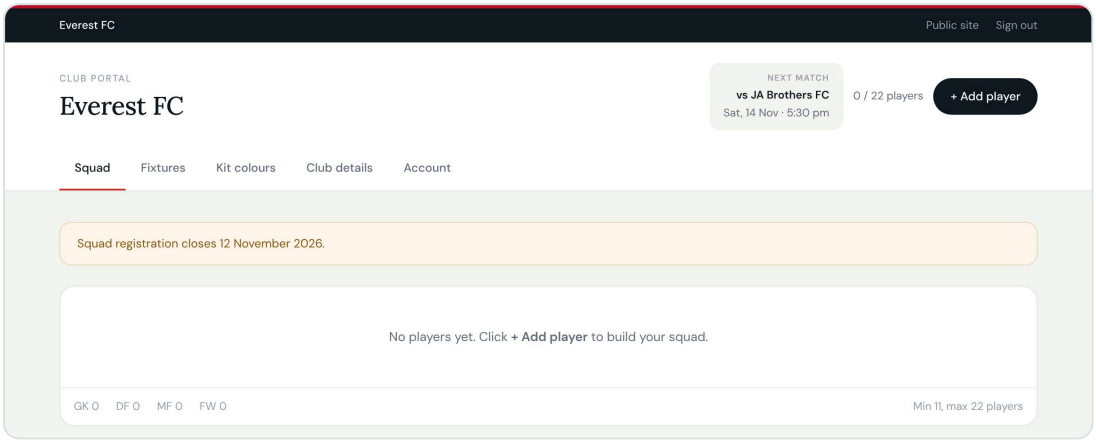

Keep your email and password safe. You will use them to sign back in and update your squad during the season.

Part B · Build and save your squad

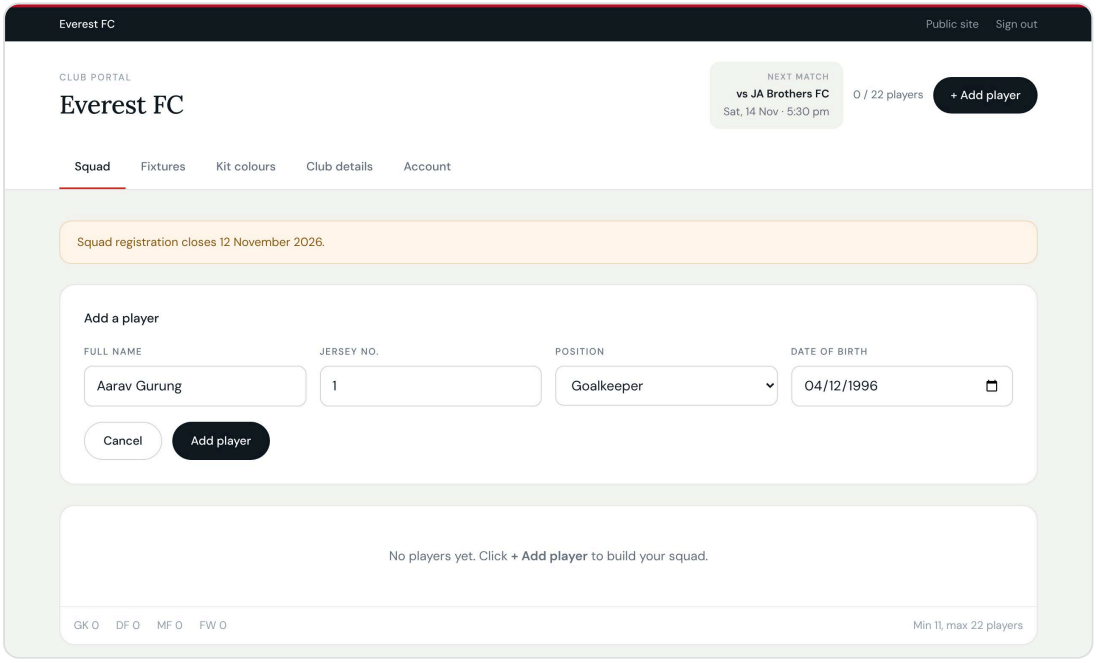

5 Your club portal

The portal opens on the **Squad** tab. The yellow bar shows the squad deadline, and the top right shows your next match. Use the tabs to move between **Squad**, **Fixtures**, **Kit colours**, **Club details** and **Account**. Click **+ Add player** to start.

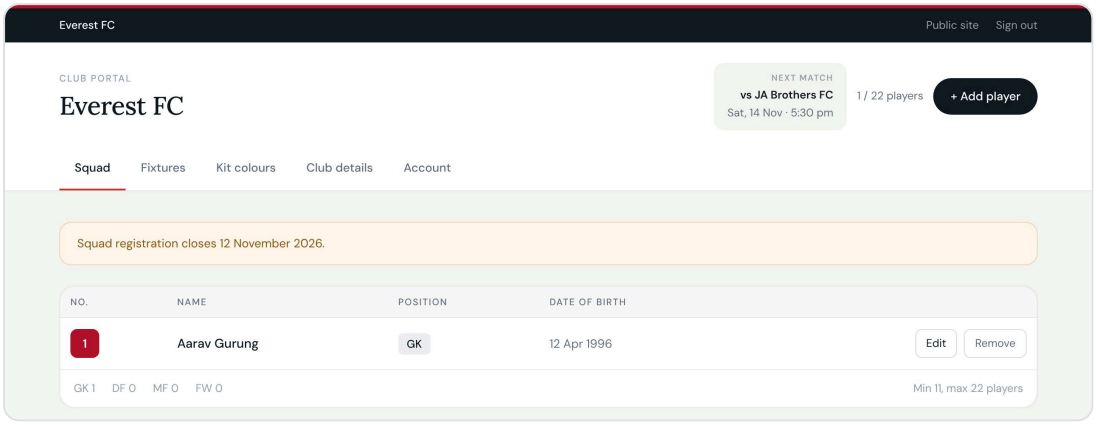

6 Add a player

Fill in the player's **full name**, **jersey number** (1 to 99, no duplicates), **position** (Goalkeeper, Defender, Midfielder or Forward) and **date of birth**. Click **Add player**. The player is saved straight away.

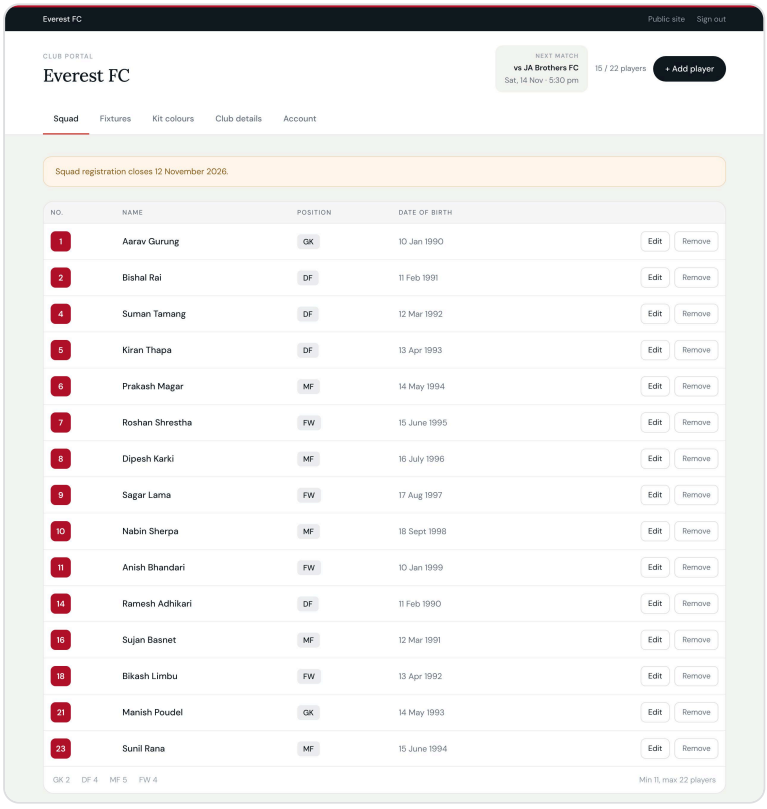

7 Repeat for every player

Each player appears in your squad list. Click **+ Add player** again for the next one. Use **Edit** to correct details, or **Remove** to take a player off the list.

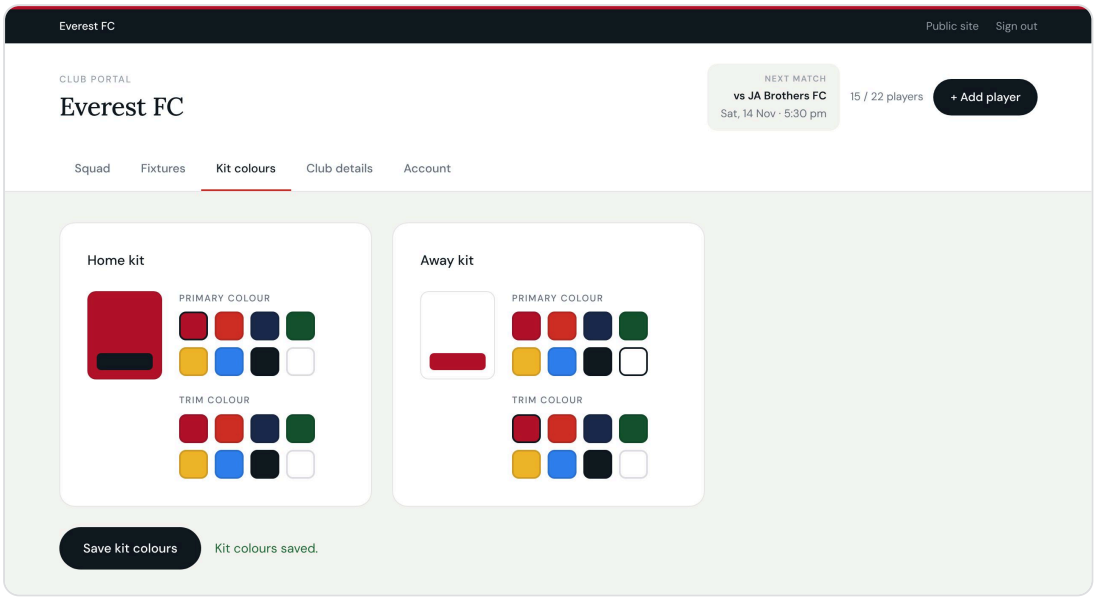

8 Check your full squad

The counter at the top shows your total out of 22. The bottom of the list counts players by position. You need a **minimum of 11 players** with **at least one goalkeeper**, and a **maximum of 22**.

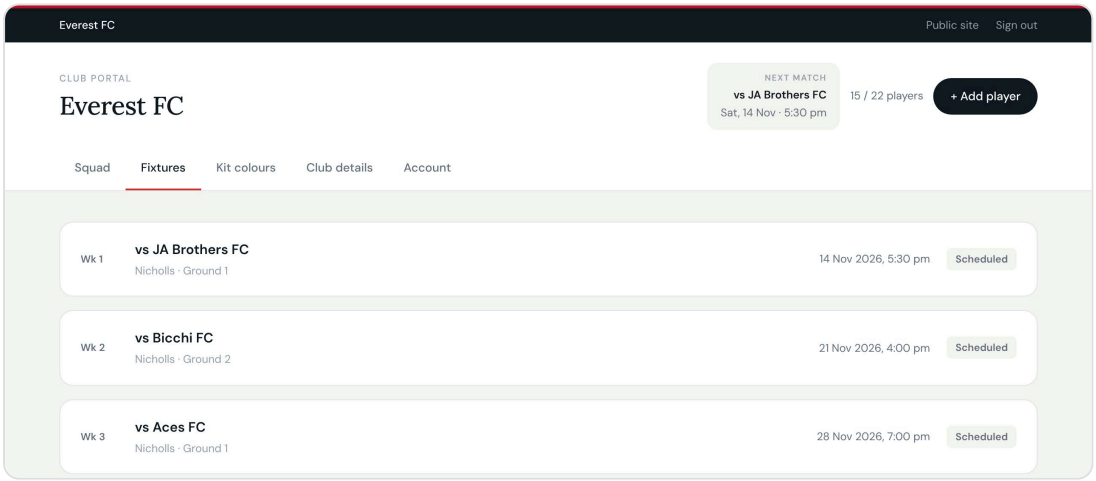

9 Set your kit colours

Open the **Kit colours** tab. Pick a primary and trim colour for your **home** and **away** kits. The preview updates as you choose. Click **Save kit colours**. A green "Kit colours saved." message confirms it.

10 Check your fixtures

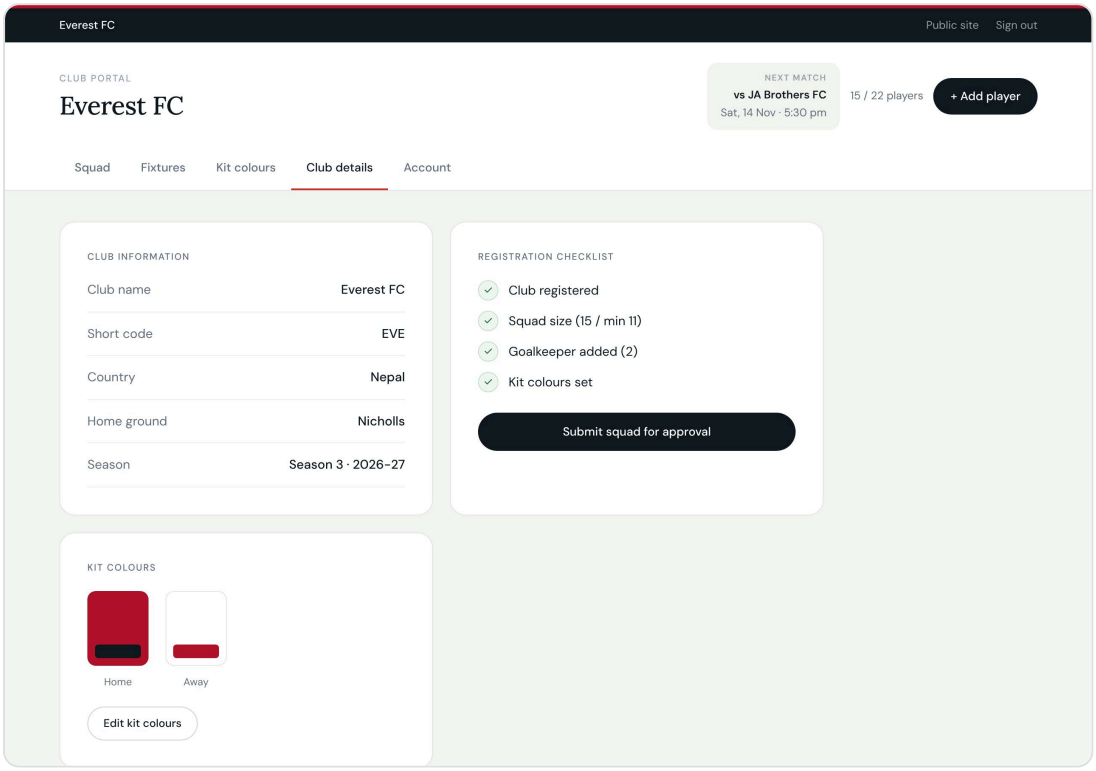

The **Fixtures** tab lists your club's matches with dates, kick-off times and grounds at Nicholls. Results appear here once matches are played.

Part C · Submit for approval

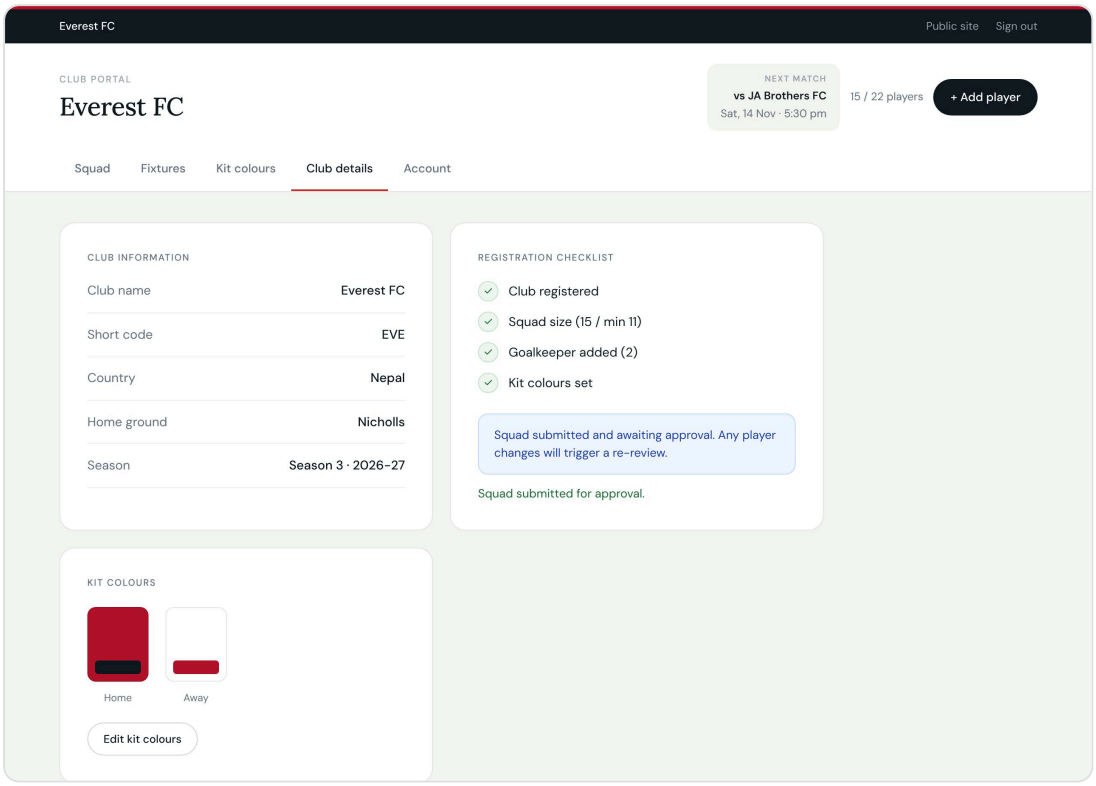

11 Review the registration checklist

Open the **Club details** tab. The **Registration checklist** shows a green tick when each item is complete: club registered, at least 11 players, a goalkeeper added and kit colours set. When all four are ticked, the **Submit squad for approval** button appears. Click it.

12 Squad submitted

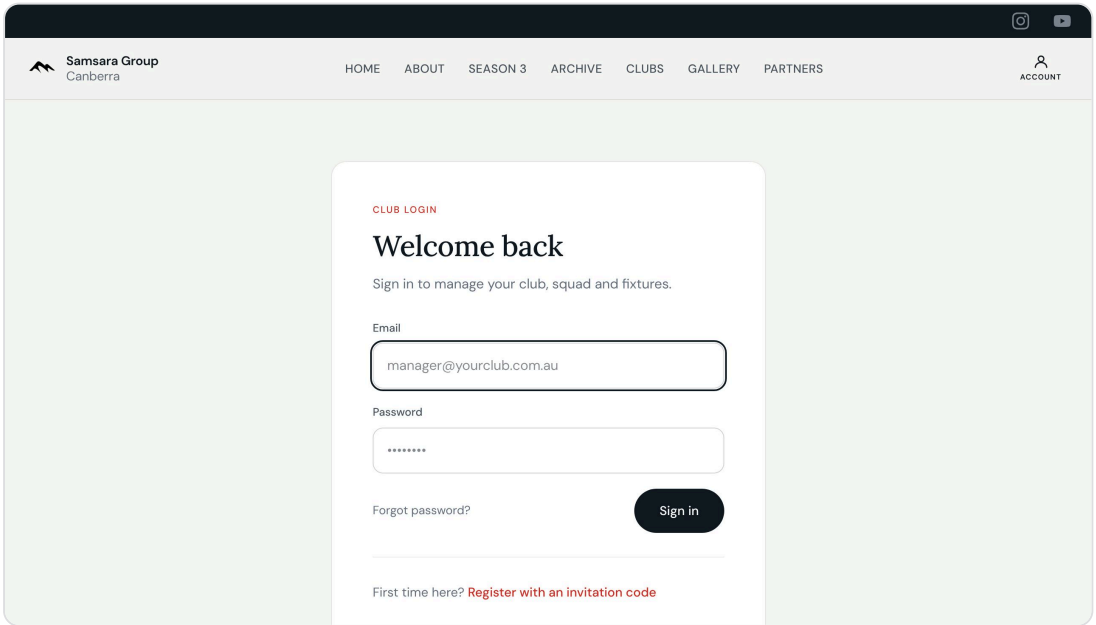

A blue message confirms your squad has been submitted and is awaiting approval. The committee reviews it, and the status here changes to **approved** or **changes requested**. If changes are requested, update your squad and submit again.

Adding, editing or removing a player after you submit sends the squad back for review. Squad changes are locked after the deadline on 12 November. Contact the committee if you need a change after that.

13 Signing back in later

Go to **samsaragroup.com.au/register** and click **I already have an account**, or use the **Account** icon at the top right of the website. Enter your email and password and click **Sign in**. Forgot your password? Click **Forgot password?** and a reset link is emailed to you.
