Team commitments

1. Submit an eligible squad of 11–22 players, with jersey numbers and a signed Player Declaration for every player, by Thursday 12 November 2026. Nominate a manager, captain and vice-captain. Use only approved players and honour all suspensions, including the concussion rule.
2. Follow the published fixtures, have at least 7 players ready at kick-off (10-minute grace period), submit the match sheet 20 minutes before kick-off, and comply with referee, organiser, venue and safety directions. A disagreement never authorises a walk-off or refusal to restart.
3. Brief players, officials and identifiable supporters on the Code of Conduct and Conditions of Entry. Take reasonable steps to control supporter behaviour. No unauthorised pitch entry, abuse, intimidation, violence, match manipulation, or alcohol or drugs at the venue unless Samsara Group and the venue allow alcohol.
4. Accept the disciplinary, protest and review procedures. Serious or repeated misconduct can result in individual sanctions, forfeits, points deductions or team expulsion. A team expelled for serious misconduct may be excluded from the next full season, and a renamed team must not circumvent a ban.
5. Accept that completed league results remain after withdrawal. Every remaining scheduled opponent receives a 3-0 win, recorded as BYE (withdrawal). A third forfeit is treated as withdrawal.
6. Understand that innocent players are not automatically banned with an expelled team, but individual sanctions follow the person. The rulebook limits such players to three per receiving team in the next competition unless an exception is approved.

Samsara Group commitments

Samsara Group will:

a. publish fixtures at least 7 days before Round 1 and give 48 hours' notice of non-urgent changes;
b. appoint referees (assistants for the finals) and provide a basic first-aid kit on every match day;
c. confirm the competition's insurance arrangements in writing before Round 1;
d. apply the rules equally, give written reasons for significant sanctions, and keep decision-makers free of conflicts;
e. hold the bond separately, notify every deduction with reasons, and return the balance within 21 days after the final;
f. pay prize money within 14 days after the final; and
g. protect personal information under Rulebook clause 32.

Financial terms

Item	Agreed amount
Entry fee	$2,000
Refundable bond	$200, held separately; deductions only for properly determined amounts, with written notice and reasons
Gala contribution	$100 for three club representatives
Total commitment	$2,300
Deposit credited	$300 ($200 entry deposit and $100 gala contribution)
Remaining balance	$2,000 ($1,800 entry balance plus $200 bond), due by Saturday 31 October 2026

No entry-fee refund applies to voluntary withdrawal or no-shows, subject to rights that cannot lawfully be excluded. A team found responsible for a serious incident (Rulebook clause 8.5), such as a walk-off, violence or abuse of a match official, loses its entry fee and bond. If Samsara Group cancels the competition, related expenses are subtracted from the entry fees received and the remainder is refunded in equal shares (Rulebook clause 8.4). Fines apply only as listed in the Adopted Particulars; otherwise only documented costs may be recovered, within the adopted caps. Properly determined liabilities and individual sanctions survive departure.

Responsibility for team obligations. The manager and captain sign on behalf of the team and confirm the players have authorised them to do so. Team obligations are met first from the bond. The manager and captain will use their best efforts to collect any further amount from the team but are not personally liable for it unless they personally caused the loss.

The team accepts photography, recording and livestreaming under Rulebook clause 31, including each person's right to opt out of promotional use. This Agreement creates no blanket exclusion of liability and does not limit rights that cannot lawfully be excluded. It is governed by the law of the Australian Capital Territory.

Adopted rulebook: Season 3 v1.0, adopted 10 October 2026. The Season Schedule and Adopted Season 3 Particulars are attached and form part of this Agreement. Samsara Group will not sign unless they are attached.

Acknowledgement and signatures

We confirm our authority to represent the team, receipt of the rulebook, Code of Conduct and Adopted Particulars, an opportunity to ask questions, and acceptance of the adopted terms. Each signatory receives a copy of this Agreement.

Everest FC · Player Declaration

Every player signs before being registered (Rulebook 10.2). By signing the squad sheet, I confirm that:

1. **Rules.** I have been given access to the SPL Season 3 Rulebook and Code of Conduct and will follow them, the referee's decisions and the reasonable safety directions of Samsara Group and the venue.
2. **Eligibility and identity.** The information I give is true. I am of Nepali or Bhutanese heritage by birth, descent or close family connection, I will be at least 16 at my first SPL match, I live, work or study in the Canberra region (ACT, Queanbeyan-Palerang, Yass Valley or Snowy Monaro), and I am registered with this team only. I will bring photo ID to every match. False information may lead to my removal and sanctions.
3. **Risk.** Football is a physical contact sport. I understand there is a risk of injury, including sprains, fractures, head injury and concussion, and rarely serious injury. I take part voluntarily, I am responsible for being fit to play, and I will tell the referee or my manager if I am injured or unwell. I understand Samsara Group provides a basic first-aid kit only, not a trained first-aider or medical staff.
4. **Insurance.** I understand Samsara Group will confirm its insurance arrangements in writing, that these may not cover all medical, ambulance or income costs, and that I am responsible for my own private health, ambulance and income-protection cover.
5. **Medical treatment.** If I am injured or unwell and cannot consent, I authorise Samsara Group officials to arrange first aid and emergency treatment, including calling an ambulance. I am responsible for costs not covered by insurance or Medicare.
6. **Concussion.** I will follow the SPL concussion rule (Rulebook 30.3): if a concussion is suspected I leave the field, do not return that day, and do not play again until medically cleared and the return-to-sport period has passed.
7. **Photos and video.** Matches may be photographed, filmed and livestreamed. I may opt out of promotional use by ticking the box in the table below. Whole-match streams and disciplinary footage may still show me.
8. **Privacy.** Samsara Group uses my information to register me, run the competition, contact me and my team, respond to injuries and emergencies, and run disciplinary processes, as set out in Rulebook clause 32. ID is sighted, not copied. I can ask to access or correct my information at samsaragroup.cbr@gmail.com.
9. **My rights.** Nothing in this declaration excludes or limits any right I have under the Australian Consumer Law or other law that cannot be excluded.

> **Players under 18:** a parent or guardian must also sign in the last column: "I consent to my child taking part on these terms", with their phone number. Samsara Group will not publish a minor's full name with their image unless the parent or guardian also writes "name OK" in that column.

Each player gives an emergency contact on the squad sheet. Any medical condition your manager or Samsara Group should know about in an emergency can be given privately to Samsara Group by email.
